14-15 December 2017
Bocconi University, Milan, Italy

The Welfare State and Taxation Unit of the Dondena Centre for Research on Social Dynamics and Public Policy is pleased to announce the Second Dondena workshop on Public Policy.

This two-day workshop provides an opportunity for presentations and discussions about research on the design and impact of public policy on economic and social phenomena in an informal and highly interactive environment. This year we especially encourage submission of papers that examine how public policy affects accumulation and mobility of human capital, as well as individual and regional inequality.

The keynote speakers are:
Richard Blundell University College London
Giovanni Peri UC Davis.

The deadline for submission of complete papers is 24 September 2017. Papers should be sent to wstdondena@unibocconi.it.

Communication of the acceptance of papers will take place by 14 October 2017.

The workshop can provide up to two nights of accommodation, but expenses for travel to and from Milan are the responsibility of the participants.
